## Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

Petitioner

ORDER GRANTING LIMITED  
LICENSE FOR BOARD-  
APPROVED REFRESHER COURSE

---

TO: Gary L. Campbell, R.N.  
2153 Balsam Way  
Green Bay, WI 54313

On September 8, 2005, the Board of Nursing considered the petitioner's request for renewal of his limited license and modification of the Board order dated June 13, 2005, which had denied the renewal of his registered nurse license (#67972). The record indicates that petitioner has failed to comply with the terms and conditions of his original board order dated August 16, 1982 and affirmed in its subsequent orders on January 28, 1983 and March 11, 1983, which extended the time for completion of the board ordered discipline. The original Board order required that the petitioner obtain a chemical dependency assessment at a treatment facility acceptable to the Board and commence treatment and monitoring as determined appropriate by the provider. Based upon all of the information showing petitioner has not complied with his original order, and subsequent orders, the Board of Nursing makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the Order Denying Renewal of Limited License dated June 13, 2005 is hereby AFFIRMED and petitioner shall be required to fulfill the terms and conditions as set forth in the previous orders of the Board, including obtaining an AODA assessment from a certified provider. IT IS FURTHER ordered that Petitioner shall be granted a limited license to take a board-approved refresher course.

IT IS FURTHER ORDERED that upon successful completion of the refresher course the petitioner may reapply for reinstatement of his limited license.

This order is effective upon the date signed below.
