- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*

Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." IN THE MATTER OF
THE LICENSE OF

ANGELA M. HANAMAN, R.N.,
R.C.P.

ERRATA REGARDING ORDER
RESRICTING ABLITY TO
PRACTICE

Petitioner.

LS0003231MED

TO: Angela M. Hanaman, RN, RCP
133 Linden Lane, Apt. 1
Thiensville, WI 53092

On October 12, 2005, the Wisconsin Medical Examining Board considered information showing that Ms. Hanaman is in non-compliance with the order of the Medical Board dated March 23, 2000, which is currently in effect. The Medical Board order provided that Ms. Hanaman shall not engage in the practice of respiratory care unless she is in full compliance with the terms and conditions of the order of the Wisconsin Board of Nursing dated March 3, 2000.

The information presented to the Board showed that on September 20, 2005, the Board of Nursing denied Ms. Hanaman's request for a stay of the suspension of her nursing license based upon her violation of the Nursing Board order as shown by two positive drug screens.

Based upon the information of record herein, the Board issued an order dated October 20, 2005, which restricted Ms. Hanaman's ability to practice as a respiratory care practitioner. The order erroneously captioned the case as before the Board of Nursing. The case caption in the previous order is corrected to reflect the Wisconsin Medical Examining Board and to indicate that Ms. Hanaman is a certified respiratory care practitioner. Accordingly, the Board now finds and enters the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that ANGELA M. HANAMAN may not engage in the practice of a certified respiratory care practitioner, pursuant to her certificate #28-1205, until she is in compliance with the Board of Nursing order.

This Order is effective upon five days after the date signed below.
