### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

On June 15, 2005, the petitioner appeared with legal counsel before the Wisconsin Medical Examining Board and requested modification of the Board order dated December 18, 2003, which suspended and limited his medical license. Information was presented to the Board that petitioner has been offered employment in Oklahoma and has entered into an agreement for limited medical licensure in Oklahoma. The petitioner also presented evidence that he was currently in compliance with the Board order and a statement from his treating psychiatrist which indicated that petitioner does not require chemical dependency treatment. Based upon all information of record herein, the Board finds and enters the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for reinstatement of the limited license of JOHN A. FERRIS, MD, (lic.# 33626) is GRANTED.

IT IS FURTHER ORDERED that the suspension of the Petitioner's limited license shall be indefinitely stayed upon the condition that Petitioner practices medicine in Oklahoma in compliance with the terms of his limited license in that state, and in compliance with the requirement for continued psychological care as recommended by his psychiatrist in Wisconsin. Petitioner may obtain his required psychological care from a psychiatrist or psychologist in Oklahoma who is licensed and qualified to provide mental health care. Petitioner shall arrange for bi-annual compliance reports from his provider to be sent to the Department Monitor to verify his compliance with the terms and conditions of this order.

IT IS FURTHER ORDERED that if petitioner should decide to return to practice in Wisconsin, he may be required, in the discretion of the Board, to resume compliance with the terms and conditions of his original Board order in Wisconsin or other conditions as deemed appropriate.

This Order is effective upon the date signed below.
