### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

THE LICENSE OF

VICTORIA MONDLOCH, M.D.

ORDER GRANTING FULL  
REINSTATEMENT

Petitioner

On April 20, 2005, the Wisconsin Medical Examining Board reconsidered the petitioner's request for full reinstatement of her license (#26004), which was limited pursuant to the Board order dated July, 21, 2004. In support of her request for reinstatement, the petitioner submitted additional information consisting of a follow-up report regarding her completion of the Board ordered continuing education program. Based upon all information of record herein, including the additional documentation about the required continuing education program, the Board finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for full reinstatement of petitioner's license without limitation is hereby GRANTED.

In reviewing the materials submitted by petitioner, the Board noted that petitioner's educational program did not include a review of any actual hospital labor and delivery cases since she did not have OB hospital privileges at that time. As a result, the Board strongly recommends that petitioner voluntarily agree to have ten (10) of her OB hospital labor and delivery cases reviewed during a period of six months by a mentor who will submit a performance report to the Board as to quality of the petitioner's practice.

This Order is effective upon the date of signing below.
