- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Jill Ann Dawson (dob: 4/5/67) is and was at all times relevant to the facts set forth herein a professional nurse licensed in the State of Wisconsin pursuant to license #118780. This license was first granted 2/11/95.
2. On 8/11/04, and while employed as an agency nurse at the Oconomowoc Memorial Hospital, Respondent diverted a controlled substance, a hydrocodone product, for her personal use. Using her access code, she obtained the medication from the hospital supply by falsely entering into the Pyxis records that it was for a patient; she then kept the medication and self-administered it at a later time. The patient's account was automatically charged when the medication was removed from the Pyxis. She did not make any entry into the patient's own chart that the medication had been administered to the patient.
3. Pyxis records from 8/5, 8/11, 8/12, and 8/13/05 show that Respondent removed opioids, all of which were controlled substances, for various named patients; no corresponding entry was made in the patient's chart that the medications were administered to them. In each case, the patient's account was automatically charged when the medication was removed from the Pyxis.
4. On 8/26/04, Respondent stated to Det. Cristian Harnisch, Oconomowoc Police Department, that she had been injured in a car accident in 2002, and had persistent pain in her shoulder and neck since that time. Because she lacked health insurance, she was unable to obtain care for her condition, and had resorted to obtaining pain medication from her employers. She stated that she had obtained both hydrocodone and oxycodone products amounting to 2-4 dosage units on at least two occasions by entering her code into the Pyxis system and obtaining the products purportedly for patients but actually for her, for the purpose of pain relief.
5. Respondent has been criminally charged in Waukesha County Circuit Court with theft and obtaining a prescription drug by fraud; if she is convicted the Board will not further discipline Respondent on the basis of the conviction.
6. Respondent is not currently engaged in nursing practice. She has been evaluated by competent practitioners and no

evidence was found that she is drug dependent.

CONCLUSIONS OF LAW

A. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stats. § 441.07(1)(b),(c), and (d) and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

B. The conduct described in paragraphs 2 through 4, above, violated Wis. Adm. Code §§ N 7.03(2) and N 7.04(1), (2) and (15). Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
