PROCEDURAL HISTORY

A Final Decision and Order was entered in this case on 10/30/92. The parties in this matter agree to the terms and conditions of the attached Stipulation as a modification of that Final Decision and Order, and as the decision in the matter of Respondent's request for a stay of suspension of her license pursuant to the 10/30/92 order, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Julie Ann Gengler (dob: 7/13/59) is and was at all times relevant to the facts set forth herein a practical nurse licensed in the State of Wisconsin pursuant to license #27501. This license was first granted 12/6/84.
2. On October 30, 1992, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a licensed practical nurse in Wisconsin was suspended for an indefinite period of time, with provision for successive three month stays of the suspension, conditioned upon compliance with certain conditions and limitations on the license. Among these were that respondent participate in a recognized program for the treatment of chemical dependency and that she refrain from the use of alcohol and unprescribed controlled substances.
3. On September 10, 1992, the board received notification from respondent's treatment program that respondent had relapsed on two occasions and had received an OWI citation. Based upon that violation of the board's Order, the board terminated the stay of the suspension of Ms. Gengler's license and suspended the license, effective January 24, 1993.
4. By letter dated February 28, 1997, Ms. Gengler petitioned the board to reinstate the stay of suspension of her license. She subsequently provided the board with documentation of her progress in her recovery. The board considered the petition at its meeting of May 2, 1997, and granted the stay by its Order dated May 9, 1997. She was arrested for OWI (3rd offense) on 8/5/98, also in Green Bay, Wisconsin, and subsequently convicted of such offense and her BAC was 0.283% by weight.
5. On January 29, 1999, the board considered evidence that Ms. Gengler had violated the terms of her limited license by appearing at her place of employment on October 25, 1998, while under the influence of alcohol. The stay of suspension was terminated, and the underlying suspension took effect, on February 7, 1999, and has remained in effect since that date. Respondent was arrested for OWI, (4th offense) on 3/10/99, in Green Bay, Wisconsin, and subsequently convicted of such offense. She was arrested for OWI (5th offense) following a motor vehicle collision and serious injury to herself on 2/9/01, also

in Green Bay, Wisconsin, and subsequently convicted of such offense; her BAC was 0.184% by weight. Her conviction resulted in her sentence being withheld on 9/8/01, and her being placed on probation for 5 years, with 10 months to be served in the county jail during nonworking hours, drug and alcohol treatment, and a requirement that she maintain absolute sobriety. Her drivers license was revoked for 3 years. She received early discharge from probation on 5/2/05.

6. On February 3, 2005, the Board found and ordered:

On January 27, 2005, the petitioner appeared before the Board of Nursing to request reinstatement of her license to practice as a licensed practical nurse (#27501), pursuant to the Final Decision and Order, dated October 30, 1992. Petitioner also indicated that she had been approved to take a Board-approved refresher course and requested a limited license to enable her to complete the course. Based upon all information of record herein, including petitioner's history of chemical dependency and admitted mood disorder diagnosis, the Board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the petitioner's request for a limited license to complete the refresher course is GRANTED, but petitioner's request for full reinstatement of an unrestricted LPN license (#27501) is hereby DENIED.

IT IS FURTHER ORDERED that the petitioner shall obtain a current psychiatric assessment and evaluation, which shall include a current diagnosis, recommendation for treatment, and prognosis. The petitioner shall also submit verification of her ability to safely return to nursing practice. Petitioner may reapply for reinstatement after she has completed the refresher course and has the required evaluation and assessment, which states that she is safe to practice.

7. Respondent has fulfilled all of the conditions set forth in the 2/3/05 Order.

CONCLUSIONS OF LAW

The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07(1)(b), (c), and (d) and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

SUSPENSION

- A.1. The license of Julie A. Genger, R.N., to practice as a practical nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of nursing licensure to the Department Monitor within 14 days of the effective date of this order.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B1. The suspension shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.

- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
- (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
