PROCEDURAL HISTORY

A Final Decision and Order was entered in this case on 3/4/04, accepting the surrender of Respondent's license. Respondent has petitioned the Board for reinstatement of that license, and that petition is pending. The parties in this matter agree to the terms and conditions of the attached Stipulation and this Decision and Order, as the decision of the Board in the matter of Respondent's petition for reinstatement of her license, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Lori Marie Cuene, RN, Respondent, date of birth 8/2/61, was licensed by the Wisconsin Board of Nursing as a professional nurse in the state of Wisconsin pursuant to license number 94303, which was first granted 8/22/86. The Board accepted the surrender of this license by order dated 12/17/04.

2. Respondent appeared for work in 1995 while apparently under the influence of alcohol, and the Board entered an Order on 11/3/95, suspending her license, but staying the suspension conditioned upon therapy and monitoring, and imposing limitations. Respondent's stay was not renewed on 4/1/96, when it found noncompliance with certain terms and conditions of the stay, and the underlying suspension took effect. On 8/14/03, a new stipulated Order was entered by the Board, reinstating her license with conditions and limitations. On 12/17/04, the Board accepted Respondent's request to surrender her license, and ordered, among other things:

IT IS FURTHER ORDERED that if the petitioner reapplies for licensure in the state of Wisconsin in the future, her nursing license would be subject to the modified requirements of the original Board order, which were not completed prior to her surrender. The petitioner has already satisfied the therapy and Nursing Refresher course requirements per the original order.

3. Respondent did, on 2/13/06, petition the Board for reinstatement of her license. Since 2004, the Board has substantially revised the standard monitoring order for its licensees with substance abuse or dependency, and desires that Respondent be subjected to the same order as all others similarly situated.

CONCLUSIONS OF LAW

A. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to §441.07(1)(b)(c) and(d) Wis.

Stats. and is authorized to enter into the attached Stipulation pursuant to §227.44(5), Wis. Stats.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order, the PETITION of Lori M. Cuene, R.N, to REINSTATE her license as a professional nurse is GRANTED.

IT IS FURTHER ORDERED:

SUSPENSION

- A.1. The license of Lori M. Cuene, R.N., to practice as a professional nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.3. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B1. The suspension shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
