- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

On July 12, 2006, the Wisconsin Dentistry Examining Board (Board) issued a Final Decision and Order revoking the license of Allen Richard Welsh, DDS. On August 14, 2006 Dr. Welsh filed an Appeal for Rehearing with the Board pursuant to Wis. Stat. s. 227.49. On September 6, 2006, the Dentistry Examining Board reviewed Dr. Welsh’s Appeal for Rehearing and voted to deny his appeal.

The Board can only grant a rehearing if it finds one of the grounds listed in Wis. Stat. s. 227.49(3), which reads as follows:

227.49 Petitions for rehearing in contested cases.

- (3) Rehearing will be granted only on the basis of:
- (a) Some material error of law.
 - (b) Some material error of fact.
 - (c) The discovery of new evidence sufficiently strong to reverse or modify the order, and which could not have been previously discovered by due diligence.

After reviewing and considering the documents submitted by Dr. Welsh the Board members found that there was no evidence of a material error of fact or law in the original decision and there was no new evidence submitted that would cause the Board to change its decision or that could not have been previously discovered by due diligence.

ORDER

THEREFORE, the Board Orders that Dr. Welsh’s petition for rehearing is DENIED.

Dated this 16th day of October, 2006
