Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board of Nursing. The Board has reviewed the attached Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Christine M. Skrinska, R.N. (DOB 06/18/1973) is duly licensed as registered nurse in the state of Wisconsin (license # 30-125213). This license was first granted on February 4, 1997.
2. Respondent's most recent address on file with the Wisconsin Board of Nursing is 1966 Bellevue Street, Apartment 5, Green Bay, Wisconsin, 54311.
3. At all relevant times, Respondent was employed as a registered nurse in the emergency department at Mercy Medical Center in Oshkosh, Wisconsin.
4. In or about March, 2004, a routine audit showed that on at least three occasions, Respondent had dispensed narcotic medications without a documented physician order and with no documentation in the patient charts or elsewhere. There was no documentation that a patient assessment, vital signs, follow up assessment or pain level was completed prior to

or following medication administration.

5. Respondent offered to undergo a drug test when confronted by her employer. The employer declined and she was terminated from her position.

6. Respondent states that her working conditions at Mercy were extremely busy and stressful. She admits that she had a habit of delaying documentation until the end of her shift. She states that on one particularly busy shift, her notes were misplaced by a new unit clerk and she could not complete her documentation. She did not inform her supervisor and did not recreate the necessary documentation.

CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter, pursuant to Wis. Stat. § 441.07, and is authorized to enter into the attached Stipulation and Order, pursuant to Wis. Stat. § 227.44(5).

2. The conduct described in paragraphs 4-6 above constitutes a violation of Wisconsin Administrative Code § N 7.03(1) and N 7.04 and subjects Respondent to discipline pursuant to Wis. Stat. § 441.07(1)(c) and (d).

ORDER

IT IS ORDERED :

1. Christine M. Skrinska, R.N. is REPRIMANDED.
2. The license of Christine M. Skrinska, R.N. to practice nursing in the State of Wisconsin, and her privilege to practice pursuant to the Multi-State Nursing Compact, is LIMITED as follows:
 - (a) Respondent, at her own expense, shall complete twelve (12) hours of pre-approved continuing education in medication administration and documentation within 90 days of the date of this Order. Respondent is responsible for finding an appropriate course and submitting the course information to the Board for approval prior to taking the course and in sufficient time to obtain board approval within the 90 day time frame, taking into account the board's meeting schedule.
 - (b) Respondent shall practice only under the direct supervision of a licensed nurse or other licensed health care professional approved by the Board or its designee and only in a work setting pre-approved by the Board or its designee. Respondent may not work in a home health care, hospice, pool nursing, or agency setting.
 - (c) Respondent shall provide a copy of this Final Decision and Order and all other subsequent orders immediately to supervisory personnel at all settings where Respondent works as a nurse or care giver or provides health care, currently or in the future.
 - (d) It is Respondent's responsibility to arrange for written reports from supervisors to be provided to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's work performance, and shall include the number of hours of active nursing practice worked during that quarter.
 - (e) Respondent shall report to the Board any change of employment status, residence, address or telephone number within five (5) days of the date of a change.
 - (f) Pursuant to Uniform Nursing Licensure Compact regulations, Respondent's nursing practice is limited to Wisconsin during the pendency of this limitation and any subsequent related limitations. This requirement may be waived only upon the prior written authorization of both the Wisconsin Board of Nursing and of the regulatory board in the state in which Respondent proposes to practice.
 - (g) After two years, Respondent may petition the Board to end this limitation. If the Board, in its discretion, continues the limitation beyond two years, Respondent may request a hearing on the continuation of the

limitation under Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the continuation of the limitation during the pendency of the hearing process.

3. Respondent shall, within ninety (90) days from the date of this Order, pay costs of this proceeding in the amount of Three Hundred Dollars (\$300.00) dollars. Payment shall be made payable to the Wisconsin Department of Regulation and Licensing, and mailed to:

The Board in its discretion may in the alternative impose additional conditions and limitations or other additional discipline for a violation of any of the terms of this Order. In the event Respondent fails to pay costs as ordered or fails to comply with the ordered continuing education, the Respondent's license (# 30-125213) SHALL BE SUSPENDED, without further notice or hearing, until Respondent has complied with the terms of this Order.

5. This Order is effective on the date of its signing.
