3. Respondent's license was suspended on July 14, 2005, for numerous allegations of diversion of narcotic medications.
4. The suspension of Respondent's license was stayed on November 21, 2005, provided that Respondent

complied with certain conditions limiting her license, including but not limited to restricting her from having any access to controlled substances at her place of employment.

5. Respondent admits that on several occasions in or about November of 2006, she gained access to the contingency narcotic box at her place of employment and diverted narcotics for her own use.

### CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter, pursuant to Wis. Stat. §441.07(1)(c), and is authorized to enter into the attached Stipulation and Order, pursuant to Wis. Stat. § 227.44(5).

2. The conduct described in paragraph 5 above constitutes a violation of Wisconsin Administrative Code § N 7.04(2) and (14) and subjects Respondent to discipline pursuant to Wis. Stat. §441.07(1)(b), (c) and (d).

### ORDER

IT IS ORDERED:

1. The stipulation of the parties is approved.

2. The Board of Nursing accepts the surrender of the license of Kristine Kohlmann, R.N.(license # 30-102444), to practice as a nurse in the State of Wisconsin. The Board also accepts the surrender of Ms. Kohlmann's privilege to practice in Wisconsin pursuant to the Multi-state Nurse Licensure Compact. Respondent's surrender of her privilege to practice in Wisconsin pursuant to the Multi-state Nurse Licensure Compact is permanent. Respondent may not reapply for Wisconsin licensure as a nurse for at least three years from the date of this Order.

3. In the event that Ms. Kohlmann re-applies for Wisconsin licensure as a nurse after three years from the date of this Order, the Board may enter an order denying such application unless Mr. Kohlmann provides evidence sufficient to convince the Board that she has been abstinent from drugs and alcohol for at least one year immediately preceding her application. Such evidence must include at least 56 random drug tests by an approved drug testing program. Respondent hereby expressly waives all rights to a hearing on any resulting application denial.

4. If the Board grants Respondent a nursing license at any time in the future, the terms and conditions of sections A through D below will apply to her license:

## SUSPENSION

- A.1. The license of Kristine M. Kohlmann, R.N., to practice as a nurse in the State of Wisconsin will be SUSPENDED for an indefinite period immediately upon issuance.
- A.2. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of the Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full Wisconsin licensure.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

## STAY OF SUSPENSION

- B.1. The suspension of Respondent's Wisconsin nursing license shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order for the most recent three (3) consecutive months.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

Division of Enforcement Case Nos. 06 NUR 426

Respondent Kristine M. Kohlmann, R.N., personally and by her attorney Jeffrey P. Sweetland; and Jeanette Lytle, attorney for the Department of Regulation and Licensing, Division of Enforcement, stipulate:

1. This Stipulation is entered into as a result of a pending investigation of Respondent's licensure by the Division of Enforcement (case # 06 NUR 426). Respondent consents to the resolution of this investigation by stipulation.
2. Respondent understands that by signing this Stipulation she voluntarily and knowingly waives her rights, including: the right to a hearing on the allegations against her, at which time the state has the burden of proving those allegations by a preponderance of the evidence; the right to confront and cross-examine the witnesses against her; the right to call witnesses on her behalf and to compel their attendance by subpoena; the right to testify herself; the right to file objections to any proposed decision and to present briefs or oral arguments to the officials who are to render the final decision; the right to petition for rehearing; and all other applicable rights afforded to her under the United States Constitution, the Wisconsin Constitution, the Wisconsin Statutes, the Wisconsin Administrative Code, and any other provisions of state or federal law.
3. Respondent has had the opportunity to obtain the advice of legal counsel prior to signing this stipulation.
4. Respondent agrees to voluntarily surrender her license to practice as a registered nurse in the State of Wisconsin, as well as her privilege to practice nursing pursuant to the Multi-State Nurse Licensure Compact. Respondent agrees that she will not reapply for Wisconsin licensure as a nurse for at least three years. Thereafter, Respondent may reapply for Wisconsin nursing licensure, but that application for licensure will not be approved unless Respondent provides evidence sufficient to convince the Board that she has been abstinent from drugs and alcohol for at least one year immediately preceding her application. Such evidence must include at least 56 random drug tests by an approved drug testing program. If the Board grants Respondent a nursing license, that license will be indefinitely suspended upon issuance, and the suspension will be stayed only if Respondent is compliant with drug treatment, counseling, practice limitations and drug testing as set out more fully in the attached Order. Respondent hereby expressly waives all rights to a hearing on any resulting application denial or license suspension or limitation.
5. Respondent agrees to the adoption of the attached Final Decision and Order by the Board of Nursing. Respondent waives all rights to any appeal of the Board's order, if adopted in the form as attached.
6. If the terms of this Stipulation are not acceptable to the Board, the parties shall not be bound by the contents of this Stipulation, and the matter shall be returned to the Division of Enforcement for further proceedings. In the event that this Stipulation is not accepted by the Board, the parties agree not to contend that the Board has been prejudiced or biased in any manner by consideration of this attempted resolution.
7. The parties to this Stipulation agree that the attorney or other agent for the Division of Enforcement and the member of the Board of Nursing assigned as an advisor in this investigation may appear before the Board in open or closed session, without the presence of the Respondent or her attorney, for purposes of speaking in support of this agreement and answering questions that any member of the Board may have in connection with the Board's deliberations on the Stipulation.
8. The Board Advisor in this matter may participate freely in any deliberations of the Board regarding acceptance

of this Stipulation and the proposed Final Order, may relate to the Board any knowledge and view of the case acquired during the investigation, and may vote on any question relating to acceptance of this Stipulation and Final Decision and Order.
