## Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

On January 13, 1999, the State of Wisconsin Pharmacy Examining Board issued a limited pharmacy license to Wisconsin I.V. Affiliates, LLC, with a variance to meeting the requirements of Wis. Adm. Code Phar 6.06 (1) (a) (b) (c) (d) (e) (f) (g) (h) and (i). The variance was sought based upon the representation that Wisconsin IV Affiliates, LLC was intended to be an infusion pharmacy, which would dispense only parenteral medications compounded from sterile products, using sterile syringes or transfer devices. Wisconsin IV Affiliates, LLC, is seeking a new license to practice pharmacy at a new location, with the same limitation.

Based upon the board's licensing liaison's review of the petition and the information submitted the board ordered as follows:

IT IS HEREBY ORDERED that Wisconsin I.V. Affiliates, LLC be issued a limited pharmacy license, number 8807, with pharmacy practice restricted to the operation of an infusion pharmacy, which shall dispense only parenteral medications compounded from sterile products, using sterile syringes or transfer devices.

IT IS FURTHER ORDERED that a variance to meeting the requirements of Wis. Adm. Code Phar 6.06 (1) (a) (b) (c) (d) (e) (f) (g) (h) and (i) is granted.

Dated: Effective January 15, 2008
