**PROCEDURAL HISTORY**

The prosecutor and Respondent in this matter agreed to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has now reviewed this Stipulation, and approves it.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

**FINDINGS OF FACT**

1. Respondent Kathleen A. Mead (dob 4/24/1954) is and was at all times relevant to the facts set forth herein a Respiratory Care Practitioner licensed in the State of Wisconsin pursuant to license #565, first granted on 2/19/92.
2. Respondent did, between June, 2005, and 1/13/06, steal syringes and/or prepared IV solutions of fentanyl (a Schedule II controlled substance) from ICU patient rooms at Froedert Memorial Lutheran Hospital where she was employed as a respiratory care practitioner, and self-administered them, without consent or authorization.
3. Respondent evaluated at Rogers Memorial Hospital, and was diagnosed with opioid dependency. She participated in treatment at Rogers Memorial Hospital and at recommended aftercare. She was permitted to take part in the Impaired Professionals Procedure of the Board, and signed the agreement to participate on 5/8/06. She failed to telephone the Approved Program on at least 15 days between 9/25/06 and 2/19/08.
4. In January, 2008, she took and carried away a quantity of a benzodiazepine, a Schedule IV controlled substance, from the purse of a visitor at the hospital where she was employed, and further took and carried away a quantity of the same benzodiazepine from her father-in-law (for whom they had been prescribed and dispensed), all without consent or authority. She relapsed when she later ingested some of these benzodiazepines without a prescription or other authorization. She has been removed from the Impaired Professionals Procedure as a result of these incidents.

**CONCLUSIONS OF LAW**

A. The Wisconsin Medical Examining Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 448.02(3), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

B. The conduct described in paragraphs 2 and 4, above, violated Wis. Stat. § 943.20(1)(a) [theft], Wis. Adm. Code § Med 10.02(2)(p) [obtaining controlled substance outside legitimate practice], and (z) [violation of related law or rule]. Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

### **ORDER**

IT IS ORDERED that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

### **SUSPENSION**

- A.1. The license of Kathleen A. Mead, to practice as a respiratory care practitioner in the State of Wisconsin is SUSPENDED for 30 days, and then for an indefinite period.

- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure. At the Board's discretion, the 5-year period may be started anew for every substantial or repeated violation of any provision of Sections C or D of this Order.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

### **STAY OF SUSPENSION**

- B.1. The suspension shall be stayed after 30 days, upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order and that Respondent's Treater is of the opinion that Respondent is able to safely practice respiratory care under the restrictions of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
