This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

PROCEDURAL HISTORY

The Division of Enforcement, Department of Regulation and Licensing, has opened an investigation against Respondents. The parties in this matter agree to the terms and conditions of this Interim Order and the attached Stipulation as the temporary disposition of this matter, subject to the approval of the Secretary of the Department of Regulation and Licensing or her designee. The Secretary or designee has reviewed this Stipulation and considers it acceptable.

Accordingly, the Secretary or designee in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Respondent Brendan M. Eichsteadt (Eichsteadt), date of birth March 28, 1981, has been issued a permit to practice as a security person (#108-15981) in the State of Wisconsin, which was first granted on November 3, 2000 and which will expire on August 31, 2008. Mr. Eichsteadt’s last address reported to the Department is 429 Valeria Drive #1, De Forest, WI 53532.

2.. Respondent Metropolitan Protective Services (MPS) has been issued a license to practice as a Private Detective Agency (#62-16527) in the State of Wisconsin, which was first granted on September 7, 2006, and which will expire on August 31, 2009. MPS is registered to do business as “Metropolitan Private Police Agency.” Per Department records, MPS is owned and operated by Mr. Eichsteadt and his spouse, Brenda Eichsteadt. MPS’ last address reported to the Department is 1601 Seybold Road #209, Madison, WI 53719.

3. Kelley Sankbeil is an investigator with the Department of Regulation and Licensing, and has been assigned to Case No. 08 RSG 019.

4. Kelley Sankbeil witnessed Respondent Brendan Eichsteadt make statements creating probable cause to believe that violations of statutes and rule governing the conduct of private security persons and private detective agencies have occurred, to wit:

a. Mr. Eichsteadt stated that he began issuing parking tickets in May of 2008. Mr. Eichsteadt has further stated that he issued the tickets to vehicles located on private property.

b. Mr. Eichsteadt stated that about 50% of the tickets that he has issued have been paid. Monies received were deposited into an account owned and controlled by Metropolitan Protective Services and Mr. Eichsteadt.

c. Mr. Eichsteadt was not acting on behalf of any local authority within the meaning of Wis. Stat. §§ 340.01 (26) and 349.06.

5. Per Wis. Admin. Code § RL 35.01, “The department may... suspend or revoke a credential... upon proof that the credential holder or any owner of an agency has engaged in conduct reflecting adversely on professional qualification. Conduct reflecting adversely on professional qualification includes, but is not limited to, any of the following: (21) Obtaining or attempting to obtain anything of value from a client by fraud, misrepresentation, deceit or duress.”

6. Per Wis. Stat. § 440.26 (6) (a), “...the department may... revoke, suspend or limit the license or permit of any person who has done any of the following: 2. Engaged in conduct reflecting adversely on his or her professional qualification.”

7. Per Wis. Admin. Code § RL 6.06 (1), “If the licensing authority finds... probable cause to believe that the respondent has engaged in conductor is likely to engage in conduct such that the public... safety or welfare imperatively requires emergency suspension of the respondent’s license, the licensing authority may issue an order for summary suspension.

CONCLUSIONS OF LAW

1. Enactment and enforcement of parking regulations is given to local authorities under Wis. Stat. § 349.06. The term “local authorities” is defined by Wis. Stat. § 340.01 (26) as, “...every county board, city council, town, or village board or other local agency having authority under the constitution and laws of this state to adopt traffic regulations.”

2. Neither Mr. Eichsteadt nor MPS are a “local authority” within the meaning of Wis. Stat. § 349.06, nor were they acting for any local authority when issuing tickets for alleged parking violations.

3. There is probable cause to believe that Respondents Brendan M. Eichsteadt and Metropolitan Protective Services have issued tickets for alleged parking violations and/or causing others to issue the same, and without being a local authority or acting on behalf of a local authority within the meaning of Wis. Stat. § 349.06; have attempted to obtain compensation by fraud, misrepresentation, deceit or duress; and have obtained compensation by fraud, misrepresentation, deceit or duress; and have thereby engaged in conduct reflecting adversely upon their professional qualifications in violation of Wis. Stat. § 440.26 (6) (a) 2. and Admin. Code § RL 35.01.

4. There is probable cause to believe that Brendan M. Eichsteadt and Metropolitan Protective Services, d/b/a Metropolitan Private Police Agency, have engaged in conduct such that the public welfare has been harmed, and that

protection of the public welfare imperatively requires emergency suspension of the respondents' licenses.

WHEREFORE, the Department of Regulation and Licensing makes the following:
