PROCEDURAL HISTORY

A disciplinary proceeding was commenced in this matter by the filing of a Notice of Hearing and Complaint with the Board on 2/11/08. Prior to the hearing on the Complaint, the parties in this matter agreed to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Jayne Irene Ochoa (dob: 3/29/60) is and was at times set forth herein a professional nurse licensed in the State of Wisconsin pursuant to license #135077. This license was first granted 6/6/00.
2. On 2/28/06, and while employed as a professional nurse at the Clairidge House, a skilled nursing facility in Kenosha, Wisconsin, Respondent's license expired without renewal. Notwithstanding this fact, Respondent continued to work as a professional nurse at this facility through 6/15/06, when she was terminated.
3. Respondent renewed her license on or about 7/18/06.
4. On or about 6/8/06, and while employed as a professional nurse at the Clairidge House, a skilled nursing facility in Kenosha, Wisconsin, Respondent signed out a hydrocodone product, which is a Schedule III controlled substance, for resident #867, at 7:00 AM, and again at 2:00 PM. These entries were incorrect, in that Respondent did not have access to the locked medication cart where these medications were stored at either of those times; neither dose was recorded as being administered to the resident on the Medication Administration Record (MAR). An additional dosage unit of this medication was signed out by Respondent on that day at 8:00 PM, but was not recorded as administered to the resident on the MAR. In fact, resident #867 did not receive this medication at any time during that day.
5. An entry was made in the medication cart log by Respondent, which is stated as having been made on 6/9/06 at 9:30 AM, that another hydrocodone product, which is a Schedule III controlled substance, was signed out for the same

resident, but no administration was recorded on the MAR. Respondent did not work on that day, and this entry is incorrect.

6. On or about 6/12/06, a bubble-card of 21 hydrocodone products, which are Schedule III controlled substances, for the same resident, was found to be present when Respondent started her shift, and missing the following day.

7. On 8/17/06, Respondent was convicted in the Circuit Court for Kenosha County of misdemeanor theft, criminal trespass to dwelling, and possession of a controlled substance, on her plea of guilty. Sentence was withheld and she was placed on probation for 18 months. Conditions of probation include that she not possess or consume controlled substances except by prescription, submit to random drug testing, and pay restitution. The underlying facts of the case are that on 4/7/06, she entered the home of a friend, while that friend was on vacation, and took the friend's prescribed Adderall® (amphetamine/dextroamphetamine), a Schedule II controlled substance, without consent and with intent to permanently deprive the lawful owner of possession.

8. On or about 6/16/06, respondent notified the Department of her change of address from 1826 Birch Rd, Kenosha WI 53140, to 2202 61st St., Apt 1, Kenosha WI 53140. She did not subsequently notify the Department of any change of address. Notwithstanding that fact, a letter sent to her on 11/2/06, addressed to 2202 61st St Apt 1, Kenosha, WI 53140, was returned by the Postal Service marked "Return to Sender, Attempted—Not Known, Unable to Forward." As of 12/20/07, Respondent had not yet notified the Department of any change of address.

CONCLUSIONS OF LAW

A. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07(1)(b),(c), and (d), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

B. The conduct described in paragraph 2, above, violated Wis. Stat. §§ 441.06(4), and Wis. Adm. Code §§ N 7.04(1) and (13). The conduct described in paragraphs 4-5, above, violated Wis. Stat. § 441.07(1)(b) and (d), and Wis. Adm. Code § N 7.04(6). The conduct described in paragraph 7, above, violated Wis. Stat. § 441.07(1)(b) and (d), and Wis. Adm. Code § N 7.04(1), (2) and (15). The conduct described in paragraph 8, above, violated Wis. Stat. §§ 440.11(1) and 441.07(1)(b) and (d), and Wis. Adm. Code §§ N 7.04(1). Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

SUSPENSION

- A.1. The license of Jayne I. Ochoa, R.N., to practice as a nurse in the State of Wisconsin is SUSPENDED for an indefinite period. The privilege of Respondent to practice as a nurse in the State of Wisconsin under the authority of another state license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of nursing licensure to the Department Monitor within 14 days of the effective date of this order.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of the Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory authority in the other state.
- A.4. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.5. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
