- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Sabine B. Hartmann, D.V.M., Respondent herein, whose date of birth is January 23, 1964, is duly licensed by the Wisconsin Veterinary Examining Board to practice veterinary medicine in the State of Wisconsin pursuant to license number 3413, which was first granted on August 8, 1989.
2. Respondent's last address reported to the Department of Regulation and Licensing is W4428 Rock Creek Road, Loyal, WI 54446.
3. At all times relevant to this action, Respondent was working as a veterinarian at Marshfield Veterinary Service in Marshfield, Wisconsin.
4. On June 13, 2005, Andrea Jennerman brought her 1½ year old cat to Respondent's clinic for tail amputation surgery.
5. Respondent sedated the Jennerman cat with .25 Ketamine 100mg/ml and .25 Valium IV 5mg/ml in the same syringe IV, and Atropine .4 cc IM and Ketofen .07 cc SQ. The cat was masked with 2% Isoflurane/Oxygen.
6. Respondent was assisted by a veterinary technician student and a veterinary assistant who visually monitored the cat during the surgery. A pulse oximeter was not used during the procedure nor, as an alternate, was a continuous check of

the cat's respiration and cardiac function conducted.

7. The surgery was uneventful; however, after Respondent completed the surgery, she was notified by one of the technicians that the cat was not breathing. Respondent attempted cardiac compressions and gave 2 cc epinephrine intracardiac twice with no response. No necropsy was performed.

8. Respondent failed to ensure that adequate monitoring of the cat's respiration and cardiac function was conducted throughout the surgical procedure.
