The privilege of Respondent to practice as a nurse in the State of Wisconsin under the authority of another state license pursuant to the Nurse Licensure Compact is also **SUSPENDED** for an indefinite period.
- A.2. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of the Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory authority in the other state.
- A.3. Upon a showing by Applicant of continuous, successful compliance for a period of at least five (5) years from 12/13/06, with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Applicant under paragraph D.4. for return of full licensure.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be stayed upon Applicant petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Applicant is in compliance with the provisions of Sections C and D of this Order, and with the Illinois Order of 2/8/08, and any subsequent modifications of that Order.
- B.2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Applicant's request, unless waived by Applicant. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
- B.6. Notwithstanding any other provision of this Order, as long as Respondent is not physically practicing in Wisconsin, and as long as the Illinois Order remains in effect, Respondent shall be deemed to have complied with all provisions of this Order as long as she is in compliance with the Illinois Order.
