The Pharmacy Examining Board considered this matter at its meeting on February 4, 2009.

BACKGROUND

On April 12, 2006, the Board issued its Final Decision and Order ("Order") suspending Ms. Lemke's license (#13873) to practice as a pharmacist in the State of Wisconsin, for an indefinite period of time, and imposing certain specified conditions. At its meeting, on April 4, 2007, the Board considered and granted Ms. Lemke's petition for an initial stay of the suspension; but denied her requests for a reduction in the frequency of her individual therapy sessions, the frequency of her random drug screens, and the frequency of her Narcotics Anonymous and/or Alcoholic Anonymous meetings.

On or about September 18, 2008, Ms. Lemke renewed her request to modify the Order, by reducing the frequency of her individual therapy sessions from weekly to monthly, the number of her random drug screens from 96 times per year to 48 times per year, and the frequency of her Narcotics Anonymous and/or Alcoholic Anonymous meetings from weekly to monthly. The Board considered Ms. Lemke's request for modifications at the December 3, 2008 meeting; but deferred action at that time and tabled the matter until the February 2009 meeting.

Based upon all the information of record, including evidence that Ms. Lemke failed to comply with reporting for her random drug screens after December 31, 2008, the Board orders the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that Ms. Lemke's petition for modifications be and hereby are, Denied.

IT IS FURTHER ORDERED that the three (3) month stay of suspension of the license of Ms. Elizabeth Lemke, #13873, to practice pharmacy in the state of Wisconsin, be and hereby is, Removed.

The effective date of this Order is February 4, 2009.

Dated this 21st of December, 2009.
