- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
THE LICENSE OF

SCOTT M. FIRE, L.P.N.,

ORDER DENYING FULL
REINSTATEMENT OF LICENSURE

Petitioner.

LS06080921NUR

TO: Scott M. Fire, L.P.N.
P.O Box 4254
Antioch, IL 60002

On September 3, 2009, the Board of Nursing considered the petitioner's request for full reinstatement of his licensed practical nurse credential pursuant to the Final Decision and Order dated September 14, 2006. The request was submitted approximately three months after his prior request which was denied on June 12, 2009. The information of record shows that petitioner has yet to complete two years of supervised practice with quarterly work reports as required under the Board's order. Petitioner requested reinstatement without completing this requirement on the basis that he is encountering difficulty obtaining nursing employment due to the work reports requirement. Based upon the information presented the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for full reinstatement of licensure for SCOTT M. FIRE, L.P. N. (lic. #305604-31) is hereby DENIED.

IT IS FURTHER ORDERED that petitioner shall not submit a petition for full reinstatement until he has completed two years of supervised practice with satisfactory quarterly work reports. Until such time as petitioner fulfills the requirements of the Board's order, he shall remain ineligible for full reinstatement of his nursing license.
