- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." On July 23, 2009, the Board of Nursing considered the petitioner's request for a stay of suspension of her registered nurse license pursuant to the Final Decision and Order of the Board dated October 2, 2008. Based upon the information presented concerning the petitioner's voluntary treatment for substance abuse, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that the request for a stay of suspension of the registered nurse license of JENNIFER M. KIRKPATRICK, R.N. (137229-30) is GRANTED.

IT IS FURTHER ORDERED that the petitioner's license shall be subject to the requirements of a standard impairment order as follows:

SUSPENSION

- A.1. The petitioner's license to practice as a registered nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. The privilege of Petitioner to practice as a nurse in the State of Wisconsin under the authority of another state license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.3. During the pendency of this Order and any subsequent related orders, Petitioner may not practice in another state pursuant to the Nurse Licensure Compact Regulation under the authority of the Wisconsin license, unless Petitioner receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.4. Upon a showing by Petitioner of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Petitioner under paragraph D.4. for return of full licensure.
- A.5. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be immediately stayed on the basis that the Petitioner has presented proof determined by the Board or its designee to be sufficient, that Petitioner has been in compliance with the provisions of Sections C and D of this Order for the most recent three (3) consecutive months.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Petitioner is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as

the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Petitioner for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.

- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Petitioner either by:
- (a) Mailing to Petitioner's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Petitioner or Petitioner's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Petitioner is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Petitioner requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code § RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Petitioner's request, unless waived by Petitioner. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
