6. Respondent voluntarily sought alcohol/drug treatment at the United States Department of Veterans Affairs Clement J. Zablocki Medical Center in Milwaukee, Wisconsin. - A.2. The privilege of Michelle LeFebvre, R.N., to practice as a registered nurse in the State of Wisconsin under the authority of another state license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact Regulation under the authority of the Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.4. Respondent shall mail or physically deliver all indicia of nursing licensure to the Department Monitor within 14 days of the effective date of this Order.
- A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.6. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code § RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
