### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

Division of Enforcement Case # 08 NUR 052

Monica S. Cleveland, R.N., personally on her own behalf, and Jeanette Lytle, attorney for the Department of Regulation and Licensing, Division of Enforcement, stipulate:

1. This Stipulation is entered into as a result of a pending investigation of Respondent's licensure by the Division of Enforcement (case # 08 NUR 052). Respondent consents to the resolution of this investigation by stipulation.
2. Respondent understands that by signing this Stipulation she voluntarily and knowingly waives her rights, including: the right to a hearing on the allegations against her, at which time the state has the burden of proving those allegations by a preponderance of the evidence; the right to confront and cross-examine the witnesses against her; the right to call witnesses on her behalf and to compel their attendance by subpoena; the right to testify herself; the right to file objections to any proposed decision and to present briefs or oral arguments to the officials who are to render the final decision; the right to petition for rehearing; and all other applicable rights afforded to her under the United States Constitution, the Wisconsin Constitution, the Wisconsin Statutes, the Wisconsin Administrative Code, and any other provisions of state or federal law.
3. Respondent has been provided an opportunity to obtain the advice of legal counsel prior to signing this stipulation.
4. Respondent agrees to the adoption of the attached Final Decision and Order by the Board of Nursing. The parties to the Stipulation consent to the entry of the attached Final Decision and Order without further notice, pleading, appearance or consent of the parties. Respondent waives all rights to any appeal of the Board's order, if adopted in the form as attached.
5. If the terms of this Stipulation are not acceptable to the Board, the parties shall not be bound by the contents of this Stipulation, and the matter shall be returned to the Division of Enforcement for further proceedings. In the event that this Stipulation is not accepted by the Board, the parties agree not to contend that the Board has been prejudiced or biased in any manner by consideration of this attempted resolution.
6. The parties to this Stipulation agree that the attorney or other agent for the Division of Enforcement and any member of the Board of Nursing ever assigned as an advisor in this investigation may appear before the Board in open or closed session, without the presence of the Respondent or her attorney, for purposes of speaking in support of this agreement and answering questions that any member of the Board may have in connection with the Board's deliberations on the Stipulation. Additionally, any such Board advisor may vote on whether the Board should accept this Stipulation and issue the attached Final Decision and Order.
7. Respondent is informed that should the Board adopt this Stipulation, the Board's final decision and order is a public record and will be published in accordance with standard Department procedure.
8. The Division of Enforcement joins Respondent in recommending the Board adopt this Stipulation and issue the attached Final Decision and Order.
