- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.

PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board of Nursing. The Board has reviewed the attached Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Michelle Lynn Hodge-Cowan, R.N., (DOB January 15, 1977) is duly licensed as a professional nurse in the state of Wisconsin (license # 133945). This license was first granted on December 10, 1999.
2. Respondent's most recent address on file with the Wisconsin Board of Nursing is W6218 County Road S, Onalaska, Wisconsin 54650.
3. Between October, 2007, and January, 2008, Respondent diverted controlled substances from patients for her own use, withdrawing 82 dosage units of Lortab (hydrocodone/APAP), and 17 dosage units of Nubain (nalbuphine, which is given to laboring mothers for pain). Respondent would either take one Lortab out for a patient and not administer it to a patient or she would withdrawal two Lortabs, keep one for herself and administer the other one to the patient. Respondent became pregnant, so she stopped taking Lortab and began taking Nubain instead. For the next two and a half months, Respondent withdrew 17 Nubain vials from the pyxis machine for her own personal use. She then "canceled" the removal in

the pyxis machine to make it appear that the medication had not been removed.

4. On January 10, 2008, Respondent underwent an AODA assessment which found, on the basis of DSM-IV-TR criteria, that her substance abuse disorder had not progressed far enough for her to be classified as an opioid addict.

5. On April 18, 2008, Respondent pled guilty to count 2 of a 3 count criminal complaint; possession of a Schedule I or Schedule II narcotic substance, hydrocodone/APAP, without a valid prescription, a violation of Wis. Stats §§ 961.41(3g)(am) and 939.50(3)(i). Respondent entered into a 24 month diversion agreement, which required that she obtain an AODA assessment, and that she perform 80 hours of community service.

CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter, pursuant to Wis. Stat. § 441.7, and is authorized to enter into the attached Stipulation and Order, pursuant to Wis. Stat. § 227.44(5).

2. The conduct described in paragraphs 3 and 5, above, constitutes a violation of Wis. Admin Code §§N 7.04(2), and N 7.04(12), and Wis. Stat. § 441.07(1)(c).

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

SUSPENSION

- A.1. The license of Michelle Lynn Hodge-Cowan, R.N., to practice as a registered nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of nursing licensure to the Department Monitor within 14 days of the effective date of this order.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall

be wholly in the discretion of the Board or its designee.

- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
