PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Gerald James House (dob: 11/12/54) is and was at all times relevant to the facts set forth herein a practical nurse licensed in the State of Wisconsin pursuant to license #302021. This license was first granted 3/26/99. His last address of record is 824 Lothe St., Sun Prairie, WI 53590, and his actual address is stated, above.

2. On 9/9/99, Respondent was arrested for operating a motor vehicle while influenced by an intoxicant (alcohol), third offense. He was subsequently convicted of this offense in the Circuit Court for Dane County, Wisconsin, and was sentenced to 60 days in county jail, a three year revocation of his driver's license, and to pay a fine, costs and assessments totaling \$1654.

3. On 7/6/03, while employed at St. Mary's Hospital, Madison, Wisconsin, Respondent gave a patient the wrong opioid pain medication, omitted giving three medications for a patient, failed to assess and document PCA use by a patient, and left a controlled substances drawer open instead of closing and locking it. Respondent had, on other occasions before this, failed to assess a patient for pain, failed to document fluid intake and output as ordered, and failed to perform any charting for two patients he had cared for. Respondent represents to the Board that he was taking a prescribed benzodiazepine at that time, and that the medication adversely affected his ability to practice at an appropriate level. On 8/5/03, Respondent was examined by a qualified psychiatrist, and diagnosed with alcohol dependence; he was found to be unable to practice by reason of impaired cognition as a result of multiple medical conditions and his prescription medication. Following this, Respondent ceased practicing as a nurse and worked as a nursing assistant for a period of time.

4. On 8/6/06, while practicing as a nurse through an agency at the Columbus Nursing and Rehabilitation facility, Respondent was found to be apparently impaired by alcohol while on duty at approximately 10:30 AM; his breath alcohol was measured at 0.027% by weight, at 12:52 PM.

5. Respondent was admitted to St. Mary's Hospital, Madison, Wisconsin, on 6/19/07, with multiple symptoms which were evaluated as being related to his failure to take his prescription medication for diabetes and high blood pressure, because he had been unemployed and unable to afford them. Respondent was diagnosed with cognitive impairment and informed that he should neither drive, nor practice nursing, without additional evaluation. He was discharged on 6/27/07.
6. Respondent was re-admitted to St. Mary's Hospital, Madison, Wisconsin, on 8/10/07, with a blood alcohol content of 0.475% by weight. Respondent was diagnosed with alcohol dependence and Korsakoff-type dementia. He was discharged on 8/29/07.
7. Respondent is not currently engaged in nursing practice.

CONCLUSIONS OF LAW

- A. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07(1)(b),(c), and (d), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).
- B. The conduct described in paragraphs 2 through 5, above, violated Wis. Adm. Code §§ N 7.03(2) and N 7.04(1), (2) and (15). Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

SUSPENSION

- A.1. The license of Gerald James House, L.P.N., to practice as a nurse in the State of Wisconsin is SUSPENDED for an indefinite period. The privilege of Respondent to practice as a nurse in the State of Wisconsin under the authority of another state license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of nursing licensure to the Department Monitor within 14 days of the effective date of this order.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of the Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory authority in the other state.
- A.4. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full licensure.
- A.5. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order, and has been evaluated for cognitive impairment and found to be within normal limits, and evaluated and found to be capable of practicing nursing with skill and safety to patient and public.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent

either by:

- (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
- (b) Actual notice to Respondent or Respondent's attorney.

- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. RL 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
