Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.

On November 4, 2010, the Wisconsin Board of Nursing considered the petitioner's request for modification of the Final Decision and Order of the Board dated December 10, 2007, to terminate his therapy requirement and decrease the frequency of his drug screens. The information of record shows that petitioner has attained sufficient compliance to warrant only partial modification of the order, therefore, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for modification of the limitations upon the registered nurse license of JAMES D. LARSON, R.N. (lic. # 115740-30) is hereby GRANTED with respect to the therapy requirement only.

IT IS FURTHER ORDERED that petitioner's urine drug screens shall not be decreased and shall remain at a minimum of twenty-eight (28) per year plus one (1) annual hair test for the next 2 years.

IT IS FURTHER ORDERED that the frequency of petitioner's drug screens shall remain at 28 per year for an additional two years before the Board will consider a request for reduction.
