The Pharmacy Examining Board considered this matter at its meetings on July 28, 2010 and September 22, 2010.

BACKGROUND

On January 13, 1999, the Board issued a Final Decision and Order placing various conditions and limitations upon Mr. Iverson's license to practice as a pharmacist in the State of Wisconsin, Pharmacist license #8239. Specifically, paragraph C.22 prohibited the Respondent from working in the capacity of "pharmacist in charge". Additionally, paragraph C.14 required the Respondent to have urine screens for drugs and alcohol at a frequency of 96 times per year. There have been multiple modifications to such order over the intervening years.

On or about July 28, 2010, Mr. Iverson petitioned the Board to modify the Order allowing the Respondent the right to work as the pharmacist in charge as well as requesting a reduction in the required drug and alcohol screening frequency.

Based upon all the information of record, the Board orders the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that Mr. Iverson's petition for the grant of Pharmacist in Charge hours and for a reduction in the frequency of drug screening, be and hereby is, Denied.

NOW, THEREFORE, IT IS FURTHER ORDERED that the stay of suspension previously granted to the Respondent is revoked as the Respondent is out of compliance with the Final Decision and Order of January 13, 1999 due to a positive drug screen and subsequent admission to the consumption of a controlled substance. The Respondent's license is suspended.

Respondent must be in complete compliance with the Final Decision and Order of January 13, 1999 for three (3) months before re-petitioning the Pharmacy Examining Board for a stay of suspension.

Dated this 4 day of October, 2010.
