PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Secretary. The Secretary has reviewed this Stipulation and considers it acceptable.

Accordingly, the Secretary in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Julian Ulysses Walker, (D.O.B.: November of 1963) is not, and has never been, duly licensed to practice dentistry in the State of Wisconsin.

2. Respondent's current address is 1144 4th Street, Beloit, Wisconsin 53511.

3. In or about March of 2010, the Division of Enforcement received a report that the Respondent was making dentures and removable partial dentures for patients without supervision by, or a signed work authorization from, a licensed dentist. In addition, he was advertising his services in local stores and had an advertisement painted on the side of his car for Laurelhurst Dental Studio where he works.

4. In or about 2005, Patient J.W. saw an advertisement for Respondent's dental services on a placemat at a restaurant in Janesville, Wisconsin. Based on this advertisement, she telephoned the Respondent at Laurelhurst Dental Studio and scheduled an appointment to have a partial denture made.

5. In or about 2005, Patient J.W. presented to the Respondent at Laurelhurst Dental Studio. At that time, the Respondent advised Patient J.W. that she did not need a dentist to get impressions for the partial dentures as he could do that for her. He further advised that the price would be \$1,800.00 and that she would need to pay for it in full over the two visits that it would take to make them.

6. Patient J.W. was able to procure the \$1,800.00 and returned to the Respondent on a later date. At that time, the Respondent made the impression of her mouth. He was not being supervised by a licensed dentist at the time and did not have a signed work authorization from a licensed dentist to make the impression or the partial.

7. Patient J.W. subsequently returned to the Respondent's office at which time the Respondent placed the partial denture which he had made. Patient J.W. advised him that it did not fit and the Respondent told her that it would take time to get used to the denture.

8. Patient J.W. returned to the Respondent's office a few days later and complained that the partial was making her mouth sore. The Respondent took the plate from her mouth and ground it down. He then put it back in her mouth.

9. The partial was still uncomfortable and Patient J.W. had to return to the Respondent on two or three more occasions to have the Respondent grind the partial down. Ultimately, Patient J.W. was not able to wear the partial because it never fit correctly.

10. In May of 2010, a Division of Enforcement investigator spoke with the Respondent on the telephone. The Respondent admitted to the investigator that he was neither trained nor licensed as a dentist. He also admitted to the investigator that he continued to make impressions and partials/dentures without a dentist being involved as a supervisor and without a signed work authorization for the partials/dentures from a licensed dentist. The Respondent explained that he was just trying to help people who did not have money to go to a dentist.

CONCLUSIONS OF LAW

1. Wis. Stat. §447.03(1) states that no person may engage in the practice of dentistry or attempt to do so or hold himself or herself out as authorized to do so unless such person is licensed by the examining board and meets the requirements of continuing education for license renewal as the examining board may require.

2. Wis. Stat. §447.03(8)(c) provides in pertinent part that the practice of dentistry include "furnishing, supplying, constructing, reproducing or repairing prosthetic dentures, bridges, appliances or other structures to be used or worn as substitutes for natural human teeth."

3. The Department of Regulation and Licensing has authority to issue this Administrative Injunction as a special order under Wis. Stat. § 440.21 and Wis. Admin. Code Ch. RL 3.

Violation of this special order may result in a forfeiture of up to \$10,000 for each day of violation per Wis. Stat. § 440.21(4)(a).

IT IS FURTHER ORDERED, that if the Secretary determines that there is probable cause to believe that Respondent has violated any terms of this final decision and order, the Secretary may order that the violations covered by this decision and order be referred to any appropriate prosecutorial unit for review for possible criminal charges.
