- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Veterinary Examining Board. The Board has reviewed the attached Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Janet Schnell, D.V.M., (D.O.B.: December 1, 1943) is duly licensed as a veterinarian in the state of Wisconsin (license # 50-3045). This license was first granted on July 8, 1987.

2. Respondent's most recent address on file with the Wisconsin Veterinary Examining Board is 16244 S. Swedish Highway, Dairyland, Wisconsin 54830.

3. At all times relevant to this action, Respondent was working as a veterinarian at the Dairyland Veterinary Clinic in Dairyland, Wisconsin.

4. On December 16, 2005, Marie and Larry Nelson brought their 6 year old Corgi, "Nels", to the Respondent with a complaint of a right foreleg limp. The Respondent performed a new patient physical examination of the dog which she felt to be normal with the exception of the following orthopedic findings: "R. scapula posterior right, elbow is tight, lower foreleg is edematous and moving clockwise." Her assessment was "tight bl, brachiocephalic (sic) tight on R. L. atlas posterior, normal vet exam, ears not checked." The Respondent performed an adjustment using veterinary spinal manipulative therapy ("VSMT") to one of the dog's legs.

5. The Respondent's December 16, 2005 record does not document the primary complaint or the results of an exam of the eyes, ears, or teeth. Respondent also failed to note that she performed an auscultation or an abdominal palpation. The office note is not signed by the Respondent and does not indicate a temperature, pulse or respiration.

6. On January 2, 2006, the Corgi was presented to the Respondent for additional treatment. Respondent performed adjustments to the dog's scapula and cervical spine. She noted "chiro w/muzzle, Atlas R central and anterior, cervical counterclockwise, exam ears looked fine".

7. The Respondent's January 2, 2006 record does not document the results of a physical examination, other than an exam of the ears. The office note is not signed by the Respondent.

8. On January 11, 2006, the Corgi was presented to the Respondent for additional treatment. Respondent provided VSMT treatment to the ileum, medial canter and mandible.

9. The Respondent's January 2, 2006 record is not signed by the Respondent and does not reflect the patient and owner names.

#### CONCLUSIONS OF LAW

1. The Wisconsin Veterinary Examining Board has jurisdiction to act in this matter, pursuant to Wis. Stat. § 453.07(2), and is authorized to enter into the attached Stipulation and Order, pursuant to Wis. Stat. § 227.44(5).

2. Respondent's conduct of failing to maintain adequate patient medical records as required by Wis. Admin. Code § VE 7.03, as described in paragraphs 4 through 9, above, constitutes a violation of Wis. Stat. § 453.07(2)(a) and Wis. Admin. Code § VE 7.06(15).
