- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*

1. Denise A. Bonjour, R.Ph., ("Respondent"), date of birth July 5, 1957, is licensed by the Wisconsin Pharmacy Examining Board as a pharmacist in the state of Wisconsin pursuant to license number 11947-40, which was first granted April 13, 1993.

2. Respondent's address of record with the Department of Regulation and Licensing (DRL) is 1408 Parkview Drive, Monroe, Wisconsin 53566.

3. On all dates relevant to the facts set forth here, Respondent was employed as a pharmacist at Wal-Mart Pharmacy 10-0802, 300 6th Avenue, Monroe, WI 53566.

4. On April 28, 2010, a DRL investigator witnessed multiple transactions during which Respondent permitted transfer of prescriptions to patients without consultation with Respondent or another licensed pharmacist.

5. Respondent admitted to the failure of consulting patients on April 28, 2010. Respondent stated that it was her belief that consultations only needed to be done for new prescriptions. Respondent also stated she believed it was okay for the pharmacy technician to ask the client if they had any questions or would like to talk to a pharmacist. Respondent explained she was working for the first time at this pharmacy as a relief pharmacist. Respondent was unfamiliar with the process as she usually practiced in Illinois.

6. The Pharmacy Examining Board requires pharmacists to provide consultation with every prescription, regardless of whether the prescription is new or a refill. The duty to consult is not satisfied by an offer to consult. The only exception to the consultation requirement for community pharmacies concerns prescriptions that are delivered to residences. None of the transactions witnessed by the DRL investigator on April 28, 2010, involved home-deliveries.
