The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Professional Engineer Section of the Wisconsin Examining Board of Architects, Landscape Architects, Professional Engineers, Designers and Land Surveyors (Section). The Section has reviewed this Stipulation and considers it acceptable.

Accordingly, the Section in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Stephen P. Maslan (dob January 25, 1950) is licensed in the State of Wisconsin as a professional engineer, having license number 6-24877, first issued on April 24, 1987, and current through July 31, 2012. Mr. Maslan's most recent address on file with the Department of Safety and Professional Services (Department) is 8011 Paseo Boulevard, Suite 201, Kansas City, Missouri 64131.

2. On October 22, 2009, Stephen P. Maslan was disciplined by the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects for unlicensed practice of architecture. The Missouri Board placed Mr. Maslan's Missouri Professional Engineer license on probation for five years. Mr. Maslan was allowed to practice engineering in Missouri during the time of the probation if he followed several conditions, including not performing architecture and submitting written reports and lists of Missouri projects worked on to the Missouri Board for review. Mr. Maslan was also required to appear before the Missouri Board and allow for unannounced visits from the Missouri Board's representatives.

3. Based on the October 22, 2009 discipline from the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects, professional engineer regulatory authorities in New Hampshire, Kansas, Georgia, North Carolina, Kentucky and Virginia imposed discipline on Mr. Maslan's licenses in those states. In addition, the New Hampshire Board of Licensure for Professional Engineers found that Mr. Maslan failed to include information concerning his Missouri discipline on his New Hampshire license renewal.

4. Mr. Maslan failed to report the Kansas, Georgia, North Carolina, Kentucky and Virginia disciplines to the Professional Engineer Section of the Wisconsin Examining Board of Architects, Landscape Architects, Professional Engineers, Designers and Land Surveyors.

5. In resolution of this matter, Stephen P. Maslan consents to the entry of the following Conclusions of Law and Order.

Code § A-E 8.03(3)(a), by violating federal or state laws, local ordinances or administrative rules relating to the practice of professional engineering.
