ORDER GRANTING
REINSTATEMENT AND
LIMITED LICENSE

LS0705231NUR

TO: Linda K. Parker
1712A 23rd Street
Two Rivers, WI 54241

On March 22, 2012, the Board of Nursing considered the petitioner's request for reinstatement of her revoked license pursuant to the Final Decision and Order of the Board dated December 13, 2007. Petitioner was previously under an Order of the Board dated September 14, 2006. Based upon the information of record which shows evidence she does not suffer from any alcohol or drug related condition or other psychological condition which impairs her ability to function with a limited registered nurse license, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the registered nurse license of Linda K. Parker (# 140390-30) is REINSTATED.

IT IS FURTHER ORDERED that the registered nurse license of Linda K. Parker is subject to the terms and conditions of the September 14, 2006 Order as follows:

SUSPENSION

- A.1. The license of Linda K. Parker, R.N., to practice as a registered nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. The privilege of Linda K. Parker, R.N. to practice as a registered nurse in the State of Wisconsin under the auspices of another state license pursuant to the multi-state Nursing Licensure Compact is correspondingly SUSPENDED for an indefinite period.
- A.3. Pursuant to Uniform Nursing Licensure Compact Regulation No.3, Respondent must limit her nursing practice to Wisconsin during the pendency of this Order and any subsequent related orders. This requirement may be waived only upon the prior written authorization of both the Wisconsin Board of Nursing and of the regulatory board in the state in which Respondent proposes to practice.
- A.4. Respondent shall mail or physically deliver all indicia of Wisconsin nursing licensure to the Department Monitor within 14 days of the effective date of this order.

- A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.4. for return of full Wisconsin licensure.
- A.6. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension of Respondent's Wisconsin nursing license is stayed.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Regulation and Licensing pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
