Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."
The status of an appeal may be found on court access websites at:

MODIFICATIONS

ORDER0000029

TO: Joan Sabljak
4550 South 119th Street
Greenfield, WI 53228

On September 13, 2012, the Board of Nursing considered the petitioner's request for modifications to the limitations pursuant to the Final Decision and Order of the Board dated January 28, 2010 to decrease the frequency of her drug screens and decrease the number of AA/NA meetings. Based upon the information of record which shows insufficient time under the Order to warrant modifications, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for modification of the limitations on the practical nurse license of Joan Sabljak (#12415-31) to decrease the frequency of drug screens is DENIED.

IT IS FURTHER ORDERED that the modification to reduce the frequency of AA/NA meetings is DENIED because it is an adjunct to recovery.

This order is effective on the date signed below.
