#### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."  
The status of an appeal may be found on court access websites at:

On August 16, 2012, the Board of Nursing considered the petitioner's request for modification pursuant to the Final Decision and Order of the Board dated May 6, 2010 to reduce the frequency of drug screens. Based upon the information of record which shows a reduction is not supported by her therapist and insufficient time under the Order to warrant a reduction, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for modification of the limitations on the registered nurse license of Jill Gustafson (#202186-30) to decrease the frequency of drug screens is DENIED.
