BACKGROUND

On May 18, 2011, the Medical Examining Board (Board) issued a Final Decision and Order limiting the license to practice medicine and surgery of Donald J. Hennessy, Jr., M.D., (23781-20) by prohibiting him from prescribing narcotic substances and requiring him to transfer all patients requiring pain medication to another licensed physician to address the patient's pain management. On or about August 17, 2011, Dr. Hennessy appeared before the Board in support of removing all limitations from his license. The Board denied Dr. Hennessy's request at that time. The Board also ordered that Dr. Hennessy should not repetition the Board for removal of the limitation for a year.

Having provided proof that he has completed the necessary course work, Dr. Hennessey, via his attorney, petitions the Board once again for full licensure. Based upon the information of record, the Board now finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request to remove all restrictions and reinstate the license to practice medicine and surgery of Donald J. Hennessy Jr., M.D., (23781-20) be, and hereby is, GRANTED.

Dated this 19 of Sept, 2012.
