Wisconsin Department of Safety and Professional Services Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Department of Safety and Professional Services website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."
The status of an appeal may be found on court access websites at:
<http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wsccl>.
- Records not open to public inspection by statute are not contained on this website.

1. On January 19, 2012, the Division of Enforcement (DOE) filed a formal complaint alleging that Dr. Victoria J. Mondloch, M.D., Respondent/Petitioner had practiced below the standard of minimal competence in obstetrical and gynecological surgical practice. The matter is currently pending, and the allegations remain unproven.
2. On February 15, 2012, Respondent/Petitioner and DOE entered into a stipulated agreement to an interim order that limited Respondent/Petitioner's license to practice medicine and surgery.
3. The Department of Regulation and Licensing reported the interim order to the National Practitioner's Data Bank (NPDB).
4. On April 13, 2012, Respondent/Petitioner asked the Board to immediately withdraw or remove the report and the interim order from the NPDB.
5. On April 18, 2012, Respondent/Petitioner appeared before the Medical Examining Board, personally and with her attorney to answer questions and argue in favor of her Petition.
6. Respondent/Petitioner explained that the databank report prohibited her from obtaining liability insurance, which in turn made employment as a physician

impossible. Respondent/Petitioner represented that it was the NPDB and not the interim order that created the insurance problem.

7. On April 18, 2012, the Board determined that the Department of Safety and Professional Services--and not the Board--made the report to NPDB.
8. Because the Department of Safety and Professional Services made the report, the Department and not the Wisconsin Medical Examining Board has the authority withdraw or amend the NPDB report in this matter.

ORDER

NOW, THEREFORE, IT IS ORDERED that the Wisconsin Medical Examining Board (MEB) hereby **DENIES** the Petition for Removal of Interim Order From the National Practitioner Data Bank.
