PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Wisconsin Medical Examining Board ("Board"). The Board has reviewed the attached Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Syed G. Mohiuddin, M.D., (DOB February 15, 1971) is duly licensed and currently registered as a physician in the state of Wisconsin (License No. 40863-20). This license was first granted on March 26, 1999.
2. Syed G. Mohiuddin, M.D.'s most recent address on file with the Wisconsin Medical Examining Board is 11800 W. Woodland Circle, Hales Corners, WI 53130.

3. At all times relevant to this action, Syed G. Mohiuddin, M.D., was working as an emergency physician at Waupun Memorial Hospital, Wisconsin.
4. Respondent is certified by the American Board of Internal Medicine.
5. On November 29, 2010, Patient A was involved in a vehicle crash and was transported via ambulance to Waupun Memorial Hospital Emergency Department.
6. Based on the complete, full-body assessment by the Advanced Trauma Life Support and a physical examination, Dr. Mohiuddin determined that Patient A did not have cervical or lumbar spine injuries and removed the backboard, c-collar and head immobilizer. An electrocardiogram was interpreted as normal.
7. Radiographs taken of Patient A were read by Dr. Mohiuddin as a closed rib fracture and no pneumothorax was identified. Patient A was discharged with pain medication and directions to follow up with his doctor as needed. The discharge instructions also indicated that x-rays were read preliminarily by the Emergency Department provider and that the x-rays would be read by a radiologist within the next 24 hours. The instructions further indicated that if there was any discrepancy the patient will be called.
8. Two hours later on November 29, 2010, after the radiograph was read by a radiologist as part of the standard over read policy, Patient A was contacted and he returned to Waupun Memorial Hospital for treatment of the pneumothorax.
9. There is a pending investigation in this matter alleging that Dr. Mohiuddin failed to properly diagnose the patient's pneumothorax. The Board has made no determination with regard to that allegation and this remedial education order is not a disciplinary action against Respondent.

CONCLUSIONS OF LAW
