The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Professional Counselor Section of the Marriage and Family Therapy, Professional Counseling, and Social Work Examining Board (Section). The Section has reviewed this Stipulation and considers it acceptable.

Accordingly, the Section in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

¹ The Division of Legal Services and Compliance was formerly known as the Division of Enforcement.

FINDINGS OF FACT

1. Respondent Adam M. Sturdevant (dob: December 16, 1968) is licensed in the State of Wisconsin as a Licensed Professional Counselor, having license number 125-4441 first issued on September 14, 2010, and current through February 28, 2013. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 264 S. Musket Ridge Drive, Apt. 2, Sun Prairie, WI 53590.

2. At all times relevant to this proceeding, Respondent was working as a Licensed Professional Counselor in Sun Prairie, Wisconsin.

3. On December 2, 2000, Respondent entered a no contest plea and was convicted of one count of operating while intoxicated - 3rd offense, with a passenger <16 years old, a violation of Wis. Stats. § 346.63(1)(a). Respondent was sentenced to 120 days in jail, and his driver license was revoked for 48 months.

4. On December 20, 2002, Respondent entered a no contest plea and was convicted of operating while revoked - 2nd offense, a violation of Wis. Stats. § 343.44(1)(b).

5. On November 7, 2011, a criminal complaint was filed against Respondent that charged Respondent with one count of operating while intoxicated - 5th or 6th offense, a violation of Wis. Stats. § 346.63(1)(a), and one count of operating with a prohibited alcohol concentration - 5th or 6th offense, a violation of Wis. Stats. § 346.63(1)(b).

6. Among the conditions of Respondent's bail on the charges in the November 7, 2011, criminal complaint is that he is to consume no alcohol.

7. On March 2, 2012, Respondent was arrested at his Sun Prairie, Wisconsin, residence as a result of a physical altercation with his girl friend. The criminal complaint in the matter charges Respondent with disorderly conduct and two counts of felony bail jumping. The factual basis of the charges is that Respondent had an argument with his girl friend, and told her that if she left their home, he would begin drinking. She left, and when she returned he was intoxicated and physically attacked her. She escaped, and called the police. When the police arrived, Respondent admitted consuming alcohol in violation of his bond.

8. Respondent's girl friend obtained a temporary restraining order, prohibiting Respondent from being at her residence.

9. On March 16, 2012, Sun Prairie police were dispatched to Respondent's girl friend's residence, where they arrested Respondent, who was intoxicated in violation of his bond. Respondent was charged with an additional count of felony bail jumping.

10. On April 21, 2012, Respondent was again arrested at his girl friend's residence. He was charged with criminal damage to property for breaking into the residence and breaking a computer and a clock. He was charged with disorderly conduct for engaging in a physical altercation with his girl friend, and he was charged with felony bail jumping for being intoxicated in violation of his bond for the November 2011 and the two March 2012 arrests.

11. While Respondent was in jail on April 22, 2012, he repeatedly called his girl friend despite her requests that he stop; he stopped calling her only after she called the jail, and requested that the jailer prevent him from harassing her.

CONCLUSIONS OF LAW

1. The Wisconsin Professional Counselors Section has jurisdiction to act in this matter pursuant to Wis. Stat. § 457.26, and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. Respondent's conduct of violating any law or rule substantially related to practice as a licensed professional counselor as described in paragraphs 3 - 11, above, constitutes a violation of Wis. Admin. Code § MPSW 20.02(2).

3. As a result of the above violations, Adam M. Sturtevant is subject to discipline pursuant to Wis. Stat. § 457.26(2)(b).

ORDER

IT IS ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

SUSPENSION

- A.1. The license of Adam M. Sturtevant to practice as a Professional Counselor in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure as a Professional Counselor to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://drl.wi.gov/index.htm>.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active Professional Counseling practice for every year the suspension is stayed, the Section may grant a petition by the Respondent under paragraph D.5. for return of full Wisconsin licensure. The Section may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall be stayed upon Respondent petitioning the Section and providing proof, which is determined by the Section or its designee to be sufficient, that respondent is in compliance with the provisions of Sections C and D of this Order and that Respondent's Treater is of the opinion that Respondent is able to safely work as a Professional Counselor under the restrictions of this Order, given his violent conduct while intoxicated.
- B.2. The Section or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a

positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Section may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.

- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Section or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

CONDITIONS AND LIMITATIONS

Treatment Required

- C.1. Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Section or its designee ("Treater"). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.

If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Section or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater, but not less than once weekly for the first year of the stayed suspension. Therapy may end only with the approval of the Section or its designee, after receiving a petition for modification as required by D.4., below.
- C.5. Treater shall submit formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's progress in drug and alcohol treatment. Treater shall report immediately to the Department Monitor any violation or suspected violation of this Order.

- C.6. Respondent shall provide and keep on file with Treater, all treatment facilities and personnel, laboratories and collections sites current releases complying with state and federal laws. The releases shall allow the Board, its designee, and any employee of the Department of Safety and Professional Services, Division of Legal Services and Compliance to: (a) obtain all specimen screening results and patient health care and treatment records and reports, and (b) discuss the progress of Respondent's treatment and rehabilitation with Treater and treatment facilities and personnel, laboratories and collection sites. Copies of these releases shall immediately be filed with the Department Monitor.

Respondent shall disclose Respondent's drug and alcohol history and the existence and nature of this Order to the practitioner prior to the practitioner ordering the controlled substance. Respondent shall at the time the controlled substance is ordered immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Respondent's treatment with, and provide copies of treatment records to, Treater and the Section or its designee. Copies of these releases shall immediately be filed with the Department Monitor.
- C.10. Respondent shall abstain from all use of over-the-counter medications or other substances (including but not limited to natural substances such as poppy seeds) which may mask consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation. It is Respondent's responsibility to educate himself or herself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.
- C.11. Respondent shall report to Treater and the Department Monitor all prescription medications and drugs, over-the-counter or prescription, taken by Respondent. Reports must be received within 24 hours of ingestion or administration of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Each time the prescription is filled or refilled, Respondent shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.
- C.12. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that he may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol,

create false positive screening results, or interfere with Respondent's treatment and rehabilitation, shall not be taken unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11.

Drug and Alcohol Screens

- C.13. Respondent shall enroll and begin participation in a drug and alcohol monitoring program which is approved by the Department ("Approved Program").
- C.14. At the time Respondent enrolls in the Approved Program, Respondent shall review all of the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program – including any positive test for any controlled substance or alcohol - is a substantial violation of this Order. The requirements shall include:
 - (a.) Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.
 - (b.) Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than 52 times per year, for the first year of this Order. After the first year, Respondent may petition the Section on an annual basis for a modification of the frequency of tests. The Section may adjust the frequency of testing on its own initiative at any time.
- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Section or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- C.17. In addition to any requirement of the Approved Program, the Section or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.
- C.18. All confirmed positive test results shall be presumed to be valid. Respondent must prove by a preponderance of the evidence an error in collection, testing, fault in the chain of custody or other valid defense.

These reports shall assess Respondent's work performance, and shall include the number of hours of active nursing practice worked during that quarter. If a report indicates poor performance, the Section may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
