- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

RESPONDENT.	:	

TO: Renee A. Bender
15100 W. Cleveland Ave.
New Berlin, WI 53151

On November 6, 2008, the Board of Nursing ("Board") issued a Final Decision and Order ("Order") suspending Respondent's license to practice as a registered nurse in the state of Wisconsin for an indefinite period. Respondent may petition the Board for a stay of the suspension after three (3) months of continuous, successful compliance with the provisions of Sections C and D of the Order.

On July 11, 2013, the Board considered Respondent's request for a stay of the suspension. Based upon the information of record, which demonstrates insufficient time to show adequate compliance with the Order, the Board finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that Respondent's request for a stay of the suspension of her license to practice as a registered nurse in the state of Wisconsin (#131042-30) is hereby DENIED.

This Order is effective the date of its signing.
