On August 19, 2009, the Wisconsin Psychology Examining Board ("Board") issued a Final Decision and Order accepting the surrender of Respondent's private practice school psychologist license. The Board subsequently considered, and denied, Respondent's request for reinstatement on two occasions, pursuant to the orders dated May 12, 2010 and October 6, 2010.

On August 7, 2013, the Board considered Respondent's petition for reinstatement of his license. Respondent appeared personally before the Board in support of his petition. Based upon the information of record, which includes evidence that Respondent has completed the conditions of the previous orders, the Board finds and makes the following:

ORDER

IT IS HEREBY ORDERED that Respondent's request for reinstatement of his private practice school psychologist license (#875-58) be GRANTED once all other requirements for licensure are met, including completion of the "Nature of Intended Private Practice of School Psychology" form.

This Order is effective the date of its signing.
