On January 19, 2011, the Medical Examining Board ("Board") issued a Final Decision and Order ("Order") reprimanding Respondent and limiting his license to practice medicine and surgery in the state of Wisconsin (#32859-20). In addition to other requirements, Respondent was ordered to retain a professional mentor who shall review Respondent's patient health care records and submit quarterly reports to the Department Monitor.

On November 26, 2012, the Board denied Respondent's request to remove the limitation from his license and ordered him to become compliant with all terms and conditions of the Order within 30 days. Failure to comply within 30 days (December 26, 2012) shall result in the suspension of Respondent's license without further notice, hearing or action from the Board.

Based on the information received by the Department Monitor, which demonstrates that Respondent is in violation of the Order by failing to comply with the professional mentoring requirements, the following is entered:

ORDER

NOW, THEREFORE, IT IS ORDERED that Respondent's license to practice medicine and surgery (#32859-20) is hereby SUSPENDED until further action from the Board.

This Order is effective five (5) days from the date of its signing.
