IN THE MATTER OF THE

DISCIPLINARY PROCEEDINGS AGAINST

ORDER REINSTATING LICENSE WITH LIMITATIONS

EDWARD MCGRATH, D.D.S.,

RESPONDENT.

ORDER0001297

TO: EDWARD MCGRATH DDS
MID-TOWNE DENTAL ASSOC
1730 7<sup>TH</sup> ST S
WISCONSIN RAPIDS WI 54494

W PATRICK SULLIVAN SIESENNOP & SULLIVAN 200 N JEFFERSON ST MILWAUKEE WI 53202

On January 4, 2012, the Dentistry Examining Board ("Board") issued a Final Decision and Order suspending Respondent's license to practice dentistry for an indefinite period. Respondent may petition for termination of the suspension under certain conditions.

On July 10, 2013, the Board considered Respondent's request for termination of the suspension of his license. Respondent, accompanied by his attorney, appeared before the Board in support of his request. Based on the information of record, which indicates Respondent is eligible for termination of his suspension and reinstatement of his license, with limitations, the Board finds and makes the following:

#### **ORDER**

- 1. NOW, THEREFORE, IT IS ORDERED that Respondent's request to terminate the suspension of his license to practice dentistry in the state of Wisconsin (#5538-15) is hereby GRANTED.
  - 2. IT IS FURTHER ORDERED that:

## **SUSPENSION**

- A.1. The license of Edward McGrath (#5538-15) to practice dentistry in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at http://dsps.wi.gov/index.htm.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may,

on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

## STAY OF SUSPENSION

- B.1. The suspension is hereby stayed based upon Respondent having provided proof, which was determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with this Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

#### **CONDITIONS AND LIMITATIONS**

## Treatment Required

- C.1. Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Board or its designee ("Treater"). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.
- C.2. Respondent shall immediately provide Treater with a copy of this Order and all other previous and subsequent orders.
- C.3. Treater shall be responsible for coordinating Respondent's rehabilitation and treatment as required under the terms of this Order, and shall immediately report any relapse, violation

- of any of the terms and conditions of this Order, and any suspected unprofessional conduct, to the Department Monitor (See D.1., below). If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Board or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater, but not less than once weekly for the first year of the stayed suspension. Therapy may end only upon a determination by the Board or its designee after receiving a petition for modification as required by D.5., below.
- C.5. Treater shall submit formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's progress in drug and alcohol treatment. Treater shall report immediately to the Department Monitor any violation or suspected violation of this Order.

#### Releases

C.6. Respondent shall provide and keep on file with Treater, all treatment facilities and personnel, laboratories and collections sites current releases complying with state and federal laws. The releases shall allow the Board, its designee, and any employee of the Department of Safety and Professional Services, Division of Legal Services and Compliance to: (a) obtain all specimen screen results and patient health care and treatment records and reports, and (b) discuss the progress of Respondent's treatment and rehabilitation with Treater and treatment facilities and personnel, laboratories and collection sites. Copies of these releases shall immediately be filed with the Department Monitor.

# AA/NA Meetings

C.7. Respondent shall attend Narcotics Anonymous and/or Alcoholics Anonymous meetings or an equivalent program for recovering professionals at the frequency recommended by Treater, but no less than twice per week. Attendance of Respondent at such meetings shall be verified and reported quarterly to Treater and the Department Monitor as directed by the Department Monitor.

#### Sobriety

- C.8. Respondent shall abstain from all personal use of alcohol.
- C.9. Respondent shall abstain from all personal use of controlled substances as defined in Wis. Stat. § 961.01(4), except when prescribed, dispensed or administered by a practitioner for a legitimate medical condition. Respondent shall disclose Respondent's drug and alcohol history and the existence and nature of this Order, and the Final Decision and Order, to the practitioner prior ordering the controlled substance. Respondent shall at the time the controlled substance is ordered immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Respondent's treatment with, and provide copies of treatment records to, Treater and the Board or its designee. Copies of these releases shall immediately be filed with the Department Monitor.

- C.10. Respondent shall abstain from all use of over-the-counter medications or other substances (including but not limited to natural substances such as poppy seeds) which may mask consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation. It is Respondent's responsibility to educate himself or herself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.
- C.11. Respondent shall report to Treater and the Department Monitor all prescription medications and drugs taken by Respondent. Reports must be received within 24 hours of ingestion or administration of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Each time the prescription is filled or refilled, Respondent shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.
- C.12. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that they may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation, shall not be taken unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11.

## Drug and Alcohol Screens

- C.13. Respondent shall enroll and begin participation in a drug and alcohol monitoring program which is approved by the Department (Approved Program).
- C.14. At the time Respondent enrolls in the Approved Program, Respondent shall review all of the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program is a substantial violation of this Order. The requirements shall include:
  - (a.) Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.
  - (b.) Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than two (2) times per week. Respondent may petition the Board for a modification of the testing frequency after the first six (6) months of continuous compliance, and annually thereafter. The Board may adjust the frequency of testing on its own initiative at any time.
- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly

- submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- C.17. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens;(b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.
- C.18. All confirmed positive test results shall be presumed to be valid. Respondent must prove by a preponderance of the evidence an error in collection, testing, fault in the chain of custody or other valid defense.
- C.19. The Approved Program shall submit information and reports to the Department Monitor as directed.

## **Practice Limitations**

Respondent shall not petition the Board for modification of this limitation for at least two (2) years from the date of this Order, and any petition to modify this limitation shall be accompanied by a written recommendation from Respondent's employer expressly supporting the modification sought.
- C.21. Respondent shall provide a copy of this Order, and all other previous and subsequent orders, immediately to supervisory personnel at all settings where Respondent works as a dentist or provides health care, currently or in the future.
- C.22. It is Respondent's responsibility to arrange for written reports from supervisors to be provided to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's work performance, and shall include the number of hours of active dentistry practiced during that quarter. If a report indicates poor performance, the Board may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
- C.23. Respondent shall report to the Board any change of employment status, residence, address or telephone number within five (5) days of the date of a change.
