In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*

On November 14, 2012, the Medical Examining Board ("Board") issued a Final Decision and Order ("Order") suspending Respondent's license to practice medicine and surgery in the state of Wisconsin (#34129-20) for an indefinite period. The suspension will be stayed after Respondent demonstrates 90 days of full, continuous compliance with the Order.

On March 20, 2013, the Board considered Respondent's request to be excused from the drug and alcohol screening requirement while he serves on two upcoming mission trips to Haiti. Based upon the information of record, which includes evidence of non-compliance and insufficient time under the terms of the Order, the Board finds and makes the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that Respondent's request for an interruption in drug and alcohol screens is hereby DENIED.

This Order is effective the date of its signing.
