### ORDER

IT IS ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, effective the date of this Order:

#### SUSPENSION

- A.1. The license of Edward J. Muellerleile, M.D., to practice as a physician in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure to practice as a physician to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/>.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time. At the Board's discretion, the 5-year period may be started anew for every substantial or repeated violation of any provision of Sections C or D of this Order.

#### STAY OF SUSPENSION

- B.1. The suspension of Respondent's Wisconsin license may be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order, and that Respondent's Treater is of the opinion that

Respondent is able to safely practice medicine and surgery under the restrictions of this Order.

- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

## CONDITIONS AND LIMITATIONS

### Treatment Required

- C.1. Respondent shall enter into, and shall continue, treatment with a treater acceptable to the Board or its designee ("Treater"). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater. The treatment program shall address all of the conditions identified by the Sante Center for Healing.

The program shall also include any other methods of assuring compliance

recommended by the Sante Center for Healing, or determined to be appropriate by Treater.

- C.5. Treater shall submit formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. It is Respondent's responsibility to educate himself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.
- C.11. Respondent shall report to Treater and the Department Monitor all prescription medications and drugs taken by Respondent. Reports must be received within 24 hours of ingestion or administration of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs.

Each time the prescription is filled or refilled, Respondent shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.

- C.12. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that they may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation, shall not be taken unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11.

#### Drug and Alcohol Screens

- C.13. Respondent shall enroll and begin participation in a drug and alcohol monitoring program which is approved by the Department ("Approved Program").

- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than 49 times per year, for the first year of this Order. After the first year, Respondent may petition the Board on an annual basis for a modification of the frequency of tests. The board may adjust the frequency of testing on its own initiative at any time.
- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- C.17. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.
