#### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."  
The status of an appeal may be found on court access websites at:

On March 25, 2013, the Psychology Examining Board ("Board") considered the Petition for Rehearing of Raymond G. Lueck, Psy.D., in the above-captioned matter. The Board determined that Dr. Lueck failed to assert a material error of law or fact by the Board in the February 4, 2013 Final Decision and Order, required for a rehearing under Wis. Stat. §§ 227.49 (3) (a) and (b). Additionally, Dr. Lueck showed no discovery of new evidence sufficiently strong to reverse or modify the order, and which could not have been previously discovered by due diligence, as otherwise required by Wis. Stat. §§ 227.49 (3) (c). The Board therefore makes the following:

**ORDER**

IT IS HEREBY ORDERED that the Petition for Rehearing of the Disciplinary Proceedings in Case Number 11 PSY 032 is DENIED.

This Order is effective on the date signed, as shown below.
