Upon consideration of the application record, the results of the oral examination, and the terms and conditions for grant of licensure, the Medical Examining Board (Board) makes the following:

FINDINGS OF FACT

1. Robert S. Shulman, M.D., (DOB 12/28/41) was granted a license to practice medicine and surgery in the State of Wisconsin (License # 19723-20) on October 17, 1975.
2. Dr. Shulman did not reregister his license pursuant to Wis. Stat. § 448.07 after the registration of his license expired on December 31, 1981.
3. Pursuant to Wis. Admin. Code § MED 14.06 (2), Dr. Shulman's license lapsed upon his failure to re-register.
4. On July 31, 2012, Dr. Shulman filed an application for re-registration of his lapsed license. (License # 19723-20).
5. Pursuant to the requirements of Wis. Admin. Code § MED 14.06 (2) (b), two members of the Board conducted an oral examination with Dr. Shulman on November 14, 2012, to determine

whether he was competent to practice medicine and surgery in this State. Based upon the results of that oral examination which indicated that Dr. Shulman had not engaged in the practice of medicine for more than three years, Dr. Shulman was referred for a full board oral examination.

6. On December 12, 2012, Dr. Shulman appeared before the full Medical Examining Board pursuant to Wis. Admin. Code § MED 14.06 (2) (b). At that time, the Board conducted an oral examination and determined that Dr. Shulman successfully completed the examination; however, based upon the period of time Dr. Shulman had not engaged in the practice of medicine and his stated desire to resume practice in the specialty area of psychiatry, the Board further determined that it would grant Dr. Shulman a non-disciplinary limited license to practice medicine and surgery in the State of Wisconsin on the terms and conditions set forth in the Order below.

CONCLUSIONS OF LAW.

1. The Wisconsin Medical Examining Board has jurisdiction over this matter pursuant to Wis. Stats. §§448.06 (1) and 448.07 and Wis. Admin. Code § MED 14.06.
