CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07, and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

ORDER

1. The attached Stipulation is accepted.

2. The professional nursing license issued to Respondent Barbara J. Bishop, L.P.N., (license number 31-310708) is SUSPENDED as follows:

SUSPENSION

- A.1. The license of Barbara J. Bishop, L.P.N., to practice as a nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. The privilege of Barbara J. Bishop, L.P.N., to practice as a nurse in the State of Wisconsin under the authority of another state's license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of a Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.4. Respondent shall mail or physically deliver all indicia of Wisconsin nursing licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/Home>.
- A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least two (2) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension of Respondent's Wisconsin nursing license may be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.

- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than 49 times per year, for the first year of this Order. After the first year, Respondent may petition the Board on an annual basis for a modification of the frequency of tests. The board may adjust the frequency of testing on its own initiative at any time.

- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
