#### SUSPENSION

- A.1. The license of Jaime L. Kaiser, R.N., (license number 190130-30), to practice as a nurse in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. The privilege of Jaime L. Kaiser, R.N., to practice as a nurse in the State of Wisconsin under the authority of another state's license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of a Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.4. Respondent shall mail or physically deliver all indicia of Wisconsin nursing licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/index.htm>.
- A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

#### STAY OF SUSPENSION

- B.1. The suspension shall not be stayed for the first three (3) months, but any time after three (3) months the suspension may be stayed upon Respondent providing proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order for the most recent three (3) consecutive months.
  - a. Respondent may petition the Board for the stay of the suspension under the following terms and conditions:
    - 1) Respondent shall have, at Respondent's own expense, undergone an assessment by a mental health care

provider experienced in evaluating health care practitioners' fitness for duty:

- i. The provider performing the assessment must not have treated Respondent and shall have been approved by the Board, with the opportunity for the Division of Legal Services and Compliance to make its recommendation, prior to the evaluation being performed; and
  - ii. Within fifteen (15) days of the completion of the assessment, a written report regarding the results of the assessment shall be submitted to the Department Monitor at the address below.
- 2) Respondent must provide proof sufficient to convince the Board that Respondent is able to practice with reasonable skill and safety of patients and the public and does not suffer from any condition which prevents Respondent from practicing in that manner;
- 3) If the Board determines to end the suspension, Respondent's license shall be limited in a manner to address any concerns the Board has as a result of the conduct set out in the findings of fact and to address any recommendations resulting from the assessment, including, but not limited to:
  - i. Psychotherapy, at Respondent's expense, by a therapist approved by the Board or its designee, to address specific treatment goals, with quarterly reports to the Board by the therapist.
  - ii. Additional professional education in any identified areas of deficiency.
  - iii. Restrictions on the nature of practice or practice setting or requirements for supervision of practice, by a professional approved by the Board, with periodic reports to the Board by the supervisor.
- b. If Respondent believes that the Board's refusal to end the suspension is inappropriate or that any limitation imposed or maintained by the Board or its designee under paragraph 2c is inappropriate, Respondent may seek a Class I hearing pursuant to Wis. Stat. § 227.01(3)(a), in which the burden shall be on Respondent to show that the Board's or designee's decision is arbitrary or capricious. The suspension or limitations on

Respondent's license shall remain in effect until there is a final decision in Respondent's favor on the issue.

- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
