#### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

FINDINGS OF FACT

<sup>1</sup> The Division of Legal Services and Compliance was formerly known as the Division of Enforcement.

2. At all times relevant to this proceeding, Licensee was employed as a practical nurse at a nursing home (Facility), located in Shell Lake, Wisconsin.
3. On November 2, 2012, Licensee informed her supervisor that she needed to leave work, during her shift, to get her daughter from daycare because her daughter was having an asthma attack.
4. The supervisor told Licensee to find another nurse to cover for Licensee before leaving. Licensee had the other L.P.N., who was working that afternoon, pass Licensee's medications and left without clocking out.
5. Licensee returned to Facility with her daughter, took a nebulizer treatment from the supply room and administered it to her daughter.
6. Licensee states her daughter is prescribed nebulizer treatment; however, Licensee failed to go to the pharmacy or emergency room to obtain the treatment. Licensee admits that the treatment taken from the supply room belonged to a patient.
7. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.
