- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

On July 9, 2001, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order accepting the surrender of Respondent's professional nursing license (#111412-30). On July 25, 2012, Respondent's request for full reinstatement of her surrendered license was denied but she was granted a limited license for the sole purpose of completing a board-approved nurse refresher course. The limited license was valid for one year and shall not be renewed except by petition to the Board.

On December 19, 2013, the Board considered Respondent's request for renewal of the limited license. Based upon the information of record, the Board finds and makes the following:

ORDER
