TO: BARBARA A HANSEN RN  
205 LINDEN COURT UNIT B  
LOMIRA WI 53048

On November 6, 2008, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order ("Order") suspending Respondent's professional nursing license for an indefinite period. Respondent has been granted a stay of suspension and her license is currently limited with certain terms and conditions.

On April 10, 2014, the Board considered Respondent's request for the return of full licensure. Based upon the information of record, including evidence that Respondent has violated the terms of the Order, the Board finds and makes the following:

ORDER

1. Respondent's request for the return of her professional nursing license (#138151-30) to full, unrestricted status is hereby DENIED due to lack of compliance with the Order.
2. Respondent's stay of suspension is REVOKED and her professional nursing license is hereby SUSPENDED indefinitely due to lack of compliance with the Order, as evidenced by missing reports; termination of drug and alcohol treatment without permission from the Board; and failure to abstain from all personal use of alcohol and controlled substances.
3. Pursuant to provision B4 of the Order, the Board or its designee may reinstate the stay if provided with sufficient information that Respondent is in compliance and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
4. This order is effective the date of its signing.
