Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

On January 28, 2010, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order ("Order") suspending Respondent's professional nursing license for an indefinite period. Respondent has been granted a stay of suspension and her license is currently limited with certain terms and conditions. The stay may be removed if Respondent is in substantial or repeated violation of any provision of Sections C and D of the Order.

Information received confirms that Respondent has recently violated the terms of the Order by failing to abstain from all personal use of alcohol. On December 19, 2013, Respondent appeared before the Board to request that the stay of suspension remain in effect despite the violations. Based upon the information of record, the Board finds and makes the following:

ORDER

1. Respondent's request to continue the stay of suspension is hereby GRANTED with the condition that she re-enter treatment as set forth in provisions C1-C6 of the Order.
2. All requirements terminated pursuant to the March 7, 2011 Order Granting Partial Modifications are hereby reinstated. Respondent shall participate in drug and alcohol treatment and she shall not have access to controlled substances in the workplace.
3. All other terms and conditions of the Order not otherwise modified remain in full force and effect.
4. This order is effective the date of its signing.
